

## **End of the Year Info**

### **Uniforms**

Band jackets are to be turned in Monday, February 25 thru Thursday, February 28, in the T. A. Dugger Band Room. Jackets should be brought to the band room before school (7:15-7:45). Students should have their uniform dry cleaned before turning it in. The snap out collar can be machine washed, please **DO NOT** send this part to the cleaners. The uniform should be returned in the plastic covering from the cleaners with the **receipt attached** to the plastic. This helps us to keep the cost of our uniforms down and have them ready to issue again in the fall. There is a \$20 charge for any uniform returned without being cleaned.

### **End of the Year Tryout**

Our end of the year tryout will be coming up the first two weeks of May. Students will receive their prepared piece after the concert and are now working on the scales and rudiments they will be required to know. This test is a major grade for all students in grades 6, 7, and 8. For the 6th & 7th grade students this test will determine chair placement for the advanced band next fall and for the 8th grade students in the high school band. We wish all students the best as they prepare for this big event.

### **Band Picnic**

The end of the year picnic for all band students is scheduled for Friday, May 3. Lots of pizza and drinks will be provided as well as games. Parents that would like to send some goodies (cookies, cupcakes, etc..) are more than welcome to do so. Students will be bringing home a permission slip for this event. The permission slip must be signed and returned before April 26

Thank you for all your support in making this year a truly musical experience for your child.
