

2021-2022 Band Fees

This year our band fee is going to look a little different! In the past, we have had a band camp payment due in July (\$80) and later in the year, we have collected state payments(\$75 each) over a three-month period. This year we think it will be easier to break payments down a little more. We will be collecting a total of 5

payments: One (1) \$100.00 payment in July

three (3) payments of \$50.00 (August – October)

one (1) payment of \$55.00 (November)

This totals \$305.00 (the same amount we paid in 2019). If you prefer, we can also take one payment for the full amount. If you need to make other payment arrangements, please contact the booster club treasurer. We are more than willing to work with anyone due to any financial situations. We are happy to make accommodations if needed and this information will be kept confidential. With this schedule, the first payment is due the week of band camp. The other payments will be due by the 15th of the month for August, September and the 1st of the month for October, and November. This puts all money collected before we go to State competition. These fees help to pay for supplies, staff, competition costs (we have 5 this year, including state) as well as, hotels, charter buses and meals while at state competition. Please cut & attach the tickets below with your payments when being turned in. A receipt will be given to you to keep for your records. You can make checks payable to Elizabethton Band Boosters.
