

BAND REMINDERS 9/15

NO Pep Band Game This Week - 9/17

Uniforms

- Parents, we are going to send bibbers home for you to clean. These new uniforms are machine washable, **but you must read the attached instructions!!** We think this is a better alternative because you all will know if your child has allergies and will have the appropriate detergents for them, and it will be much easier. However, you must read the instructions so that you don't use the wrong type of detergent. **DO NOT DRY CLEAN the bibbers!!** If you would like to dry clean your child's jacket, you can pick it up and bring it right back. We are not checking them out to the students this year.

COMPETITION DATES

- I'm still waiting on Karns so be ready should we need to change the plan just in case they decide to cancel that competition. I will replace it with another show so be ready!
- Oct. 2nd. Music in the Castle at TN High - perform at 8:10 (tentatively) Attached to this email is an ad form, if you should want to purchase an ad for your student in the MITC program. Sorry I'm just sending this because the due date is this week!
- Science Hill has cancelled their competition on the 16th, so we will be going to John Battle instead. More details coming soon.
- Oct. 30th we will be hosting the former National Championship band Tarpon Springs High School from Florida here at EHS in Citizens Bank! That day, we will set aside some time to be good hosts and watch them rehearse. Then we'll have our final minicamp of the year from 1-4. We will also invite anyone who wants to join us to watch the finals performances at 7:30pm at ETSU Mini dome. The ETSU viewing is optional, and students will need to buy a ticket and get their own rides. Tarpon Springs, Dobyms-Bennett, and my old school Byrnes will be amongst the bands we'll get to see perform! All of them are nationally ranked!

GIFT WRAP

- Forms and money are due this week! Turn in the white, and yellow copy along with the money and you keep the pink copy for your records.

GO CYCLONES!!

CONCESSIONS

We will always be in need for volunteers to help work the concessions. If you can help in any capacity, text or call Jackie Parlier at 423-440-9293. The student fees only cover about half of the yearly operating budget, so we need these concessions! Help sell wrapping paper and work concessions if you can. It takes a village!

NEXT TRIP PAYMENT

This is a friendly reminder that the next \$50 trip payment is due September 15th. Lots of you still owe for August! The question has been asked and the answer is that it is ok to turn money into Mr. Valentine. Let's make sure that we get these students what they need to go down to Nashville in November and make the memories that will last them a lifetime!
