

BAND REMINDERS 9/20

Home Game vs. Anderson Co. This Friday. Call time is 6pm dressed and ready to go in band set in the band room.

Uniforms

- Parents, we are going to send bibbers home for you to clean. These new uniforms are machine washable, **but you must read the attached instructions!!** We think this is a better alternative because you all will know if your child has allergies and will have the appropriate detergents for them, and it will be much easier. However, you must read the instructions so that you don't use the wrong type of detergent. **DO NOT DRY CLEAN the bibbers!!** If you would like to dry clean your child's jacket, you can pick it up and bring it right back. We are not checking them out to the students this year.
